

# RANGELAND SHIPPER PELLETS

*A quality, balanced pellet formulated to support the transition from the paddock to the pen prior to export*

Sizes: **BULKA BAGS, BULK ORDERS ONLY**

## ABOUT RANGELAND SHIPPER PELLETS

Rangelands Shipper Pellets are our balanced protein and energy feed formulated to support the transition from the paddock onto feed prior to shipping. Made using only premium ingredients to maximise feed conversion efficiency for cost-effective feeding. Rangelands Shipper Pellets include Agolin Ruminant to help buffer the gut, enhance rumen function and efficiency while reducing methane emissions.

## PRODUCT FEATURES

6mm pellet is highly palatable and designed for easy feeding in tubs, bunks or bins. Minimises wastage and improves nutrient uniformity.

Made using quality grain ingredients with no nutritionally poor fillers for improved feed conversion efficiency

Contains Agolin Ruminant, an oil-based feed additive for improved rumen function, performance and methane reduction

Balanced protein and energy formula to support the transition from grazing and browsing into pen feeding

Fortified with our rangeland vitamin and mineral premix to support the requirements of northern cattle

All natural ingredients, GMO & antibiotic free with minimal processing

Made using fresh, premium produce from local WA farmers

**Manufacturers of quality stockfeeds since 1985**

# RANGELAND SHIPPER PELLETS

## TYPICAL INGREDIENTS

May contain one or more of the following due to seasonal variations:

Barley, Lupins, Oat Husks, Cereal By-Products, Lime, Salt, Sodium Bicarbonate, Vitamin & Mineral Premix, Agolin Ruminant\*.

\*Agolin Ruminant is a carefully balanced combination of microencapsulated essential oil compounds that optimise feed intake and reduce methane emissions. It is certified by the EU Carbon Trust for methane abatement.

## INCLUSIONS

- This feed includes Agolin Ruminant, an oil based feed additive to buffer the rumen and improve feed conversion efficiency.
- In case of feeding to non-target animals, Agolin Ruminant presents no particular risks.
- **This product does not contain Urea**
- **This product does not contain Restricted Animal Material**

## FEEDING GUIDE

- Feed as part of a balanced diet
- These pellets have a high grain content so must not be fed to hungry stock
- Rangeland Shipper Pellets should be introduced over a two (2) to three (3) day period using hay or another form of fibre as a supplement
- Ensure fresh, clean water is always available

## RECOMMENDED INTAKE

The recommended intake of this product should be **up to 3% of live weight**. Formulated as a short term feeding option.

## STORAGE INSTRUCTIONS

Store in dry cool and clean place. When stored under correct conditions best before 12 months from packing date.

**Manufactured and supplied to order in our Western Australian Plant to ensure maximum product freshness**

## NUTRITIONAL ANALYSIS: GUARANTEED MINIMUMS (AS FED)

Crude Fibre (%)	15.5	Copper (mg/kg)	8.0
Metabolisable Energy (MJ/kg)	9.2	Iodine (mg/kg)	0.5
Crude Protein (%)	11.0	Iron (mg/kg)	40.0
Fat (%)	2.6	Manganese (mg/kg)	20.0
Vitamin D3 (IU/kg)	500.0	Molybdenum (mg/kg)	0.20
Vitamin E (mg/kg)	50.0	Selenium (mg/kg)	0.20
Thiamine/B1 (mg/kg)	3.0	Zinc (mg/kg)	40.0
Cobalt (mg/kg)	0.40	Antioxidant (mg/kg)	5.0
Vitamin A (IU/kg)	81.0	Agolin Ruminant (mg/kg)	50.0

## CAUTION

The introduction of high grain pellets to livestock requires a well managed induction phase to minimise the risk of gastrointestinal upsets. Please speak to your animal nutritionist or contact us for more information. **The information in this document is a guide intended for our customers and advice may vary depending on individual circumstances.**

**For order enquiries contact our office or  
your local stockist**
