

JOB VACANCY: Warehouse Team Member

- Full time – minimum 38 hours a week
- Competitive base wage plus super and entitlements
- Located Upper Swan, Perth Western Australia

We are seeking a highly organised full time Warehouse Team Member to join our warehouse operational team at our Upper Swan mill. This role is central to the effective and efficient running of our warehouse operations and functions at T&R. We supply stockfeed for both domestic and export markets so are looking for an energetic, motivated individual that is physically fit to help us provide our customers with the products they need.

Duties include but are not limited to:

- Co-ordinate truck loads and deliveries from our warehouse to customers.
- Communicate proactively and effectively with staff to drive performance outcomes.
- Ensuring the dispatch of goods are managed efficiently to our required standard.
- Prioritising customer orders to meet delivery deadlines.
- Forklift operation and packing orders.

Job requirements:

- Forklift license preferred.
- Experience in similar warehouse or logistics roles.
- High level organisational skills.
- Leadership skills to communicate proactively and effectively with staff to drive performance outcomes.
- Presentable appearance and manner to engage with customers.
- Physically fit, able to lift and pack 30kg plus bags in a safe manner.
- Ability to multitask under pressure whilst meeting and maintaining safety requirements.
- Reliable, enthusiastic, and positive attitude towards work.
- Understand the importance of your role in ensuring our operations run smoothly – no job is too big or small to help the team.
- Contribute to site meetings.
- Current drivers' licence.

What you can expect

- Job security – Full time role minimum of 38 hours weekly.
- Competitive base wage, plus super and entitlements
- Great working culture in a supportive team with on-the-job training and development.
- You'll be working with leaders in the industry at a family run business.
- Health and wellbeing support through our official employee wellbeing program.
- In-house development
- Further training and career development for the right individual

Thompson & Redwood
220 Almeria Parade
Upper Swan, WA 6069

About Thompson & Redwood:

T&R is a leading stockfeed manufacturer situated in Upper Swan. We are a family run business and produce a range of quality products for the Australian and export agricultural industry. Our company values of Trust, Respect, Can-do Attitude, Teamwork and Achieve Outcomes has made us the successful business we are today.

At T&R we are driven by relationships – with the farmers who supply our grain and with the customers who buy our stockfeed. We have staff who have been with the company since commencement, and we provide an inclusive and supportive work environment.

Our business is an industry leader, with over 90 product lines for the Australian and export animal industries, and with 30 staff, two grain storages in the Wheatbelt and three mills across WA, we're able to yield over 50,000 tonnes of grain and seed each year. We are currently developing a new mill site, which brings with it the opportunity for further growth and career progression for our employees.
